	Warranty	5 years
	The polyurethane foam used in the products meets the CRIB 5 fire safety standard. The difference between the one-seat armchair and the one-seat bench is in the seat width (the separate one-seat chair is wider). The pillow for the one-seat chair has different dimensions (it is wider), so when ordering more parts, it is necessary to determine which pillows are for one-seat armchairs. Cannot be upholstered in ONE (1) fabric.
