Design by Ambostudio

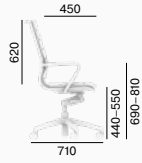

Pluto je série židlí, která bude vynikat v každém interiéru. Chromovaný rám židle působivě ladí s transparentní síťovinou či moderními odstíny čalunění. Pluto je charakteristické souhrou designu a užitečných vlastností.

The **Pluto** collection will stand out in any interior. The chrome frame contrasts with the transparent mesh and contemporary shades of upholstery. Pluto conveys a harmony of design and function.

Pluto ist eine Serie von Stühlen, die in jedem Interieur hervorragen wird. Der verchromte Stuhlrahmen kontrastiert wirkungsvoll mit dem transparenten Netzgewebe oder den modernen Polsterfarbtönen. Pluto ist charakteristisch durch den Einklang von Design und Gebrauchseigenschaften.

La collection **Pluto** s'intègre harmonieusement dans tous les environnements. Le métal chromé est associé intelligemment avec une maille transparente et un capitonnage contemporain. Pluto, l'harmonie entre design et fonction.
